

## ALLBB Board Members Election

At the 2020 ALLBB General Membership Meeting (GMM) a new board of directors will be elected to guide the league through the 2019–20 season. They will serve until the next GMM in 2020. Many of the members of the current board are standing for election, however, we need volunteers for several open positions.

The strength of any group is directly influenced by their members willing to volunteer for positions to support and guide the organization. We strongly encourage all adults involved with the ALLBB to consider running for and serving in some capacity on the ALLBB board.

The positions highlighted in **RED** below have no current candidates running for election.
